## Welcome to My Life

## **Simple Plan**

Do you ever feel like breaking down?
Do you ever feel out of place?
Like somehow you just don't belong
And no one understands youDo you ever want to run away?
Do you lock yourself in your room?
With the radio on turned up so loud
That no one hears you screamingNo you don't know what its like
When nothing feels alright

You don't know what its like to be like me

To be hurt, to feel lost

To be left out in the dark

To be kicked when you're down

To feel like you've been pushed around

To be on the edge of breaking down

And no one there to save you

No you don't know what its like

Welcome to my life

Do you want to be somebody else?

Are you sick of feeling so left out?

Are you desperate to find something more

Before your life is overAre you stuck inside a world you hate?

Are you sick of everyone around?

With the big fake smiles and stupid lies

But deep inside you're bleedingNo you don't know what its like

When nothing feels alright

You don't know what its like to be like me

To be hurt

To feel lost

To be left out in the dark

To be kicked when you're down

To feel like you've been pushed around

To be on the edge of breaking down

And no one there to save you

No you don't know what its like

Welcome to my life

No one ever lied straight to your face

And no one ever stabbed you in the back

You might think I'm happy

But I'm not gonna be okay

Everybody always gave you what you wanted

You never had to work it was always there

You don't know what its like

What its likeTo be hurt To feel lost To be left out in the dark To be kicked when you're down To feel like you've been pushed around To be on the edge of breaking down And no one there to save you No you don't know what its like What its likeTo be hurt To feel lost To be left out in the dark To be kicked when you're down To feel like you've been pushed around To be on the edge of breaking down And no one's there to save you No you don't know what its like Welcome to my life Welcome to my life Welcome to my life
