## Where to Now St. Peter?

## **Elton John**

I took myself a blue canoe
And I floated like a leaf
Dazzling, dancing half enchanted
In my Merlin sleepCrazy was the feeling
Restless were my eyes
Insane, they took the paddles

My arms they paralyzedSo where to now, St. Peter?

If it's true I'm in your hands
I may not be a Christian

But I've done all one man can

I understand I'm on the road

Where all that was is gone

So where to now, St. Peter?

Show me which road I'm on

Which road I'm onIt took a sweet young foreign gun

This lazy life is short

Something for nothing always ending

With a bad reportDirty was the daybreak

Sudden was the change

In such a silent place as this

Beyond the rifle rangeSo where to now, St. Peter?

If it's true I'm in your hands

I may not be a Christian

But I've done all one man can

I understand I'm on the road

Where all that was is gone

So where to now, St. Peter?

Show me which road I'm on

Which road I'm onI took myself a blue canoe
