

# I Know I'm Not Alone

## Michael Franti & Spearhead

Whatever happened to the sun  
It used to always come  
Back when we were young  
We'd sing and party all night long  
The seasons don't ever come on time no more and  
War paints over the years  
And anger fills our tears  
What happened to the sun But I know, I know, I know I'm not alone  
But I know, I know, I know I'm not alone  
Everytime I read the news  
I'm always more confused  
They're tellin' me to choose  
But there's only lies to choose from  
And how many died today  
How many lost thier homes or shot a gun  
Or a loved one  
What happened to our sons But I know, I know, I know I'm not alone  
And I know, I know, I know I'm not alone Even though I'm far from home, I'm not alone, I'm  
not alone  
Even though I'm far from home, I'm not alone... Woo hoo hoo ho  
Woo hoo hoo hoo  
Woo hoo hoo hoWalk to the Front  
Open the Gate  
I see a road there  
Even though I'm far from home, I'm not alone, I'm not alone  
Even though I'm far from home, I'm not alone... Woo hoo hoo ho  
Woo hoo hoo hoo  
Woo hoo hoo ho
