

# Do Right Woman, Do Right Man

Aretha Franklin

Take me to heart and I'll always love you  
And nobody can make me do wrong  
Take me for granted leaving love unshown  
Makes will power weak and temptation strong  
A woman's only human  
You should understand  
She's not just a play thing  
She's flesh and blood just like her man  
If ya wanna do right (do right - do right)  
All day (do right - do right) woman (woman)  
You've gotta be a do right (do-right - do-right)  
All night man (do right - do right) (man)  
Yeah-yeah they say that it's a man's world  
But you can't prove that by me  
And as long as we're together baby  
Show some respect for me  
If you wanna do right (do right - do right)  
All day (do right - do right) woman (woman)  
You gotta be a do right (do right - do right)  
All night man (man)  
A woman's only human  
This you should understand  
She's not just a plaything  
She's flesh and blood  
Just like her man  
If you wanna do right (do right - do right)  
All day (do right - do right) this woman (woman)  
You gotta be a do (why don't cha) right (why don't cha)  
All night (why don't cha - why don't cha)  
Man  
You gotta be a do right  
All night man...
