

A Guy Is a Guy

Doris Day

i walked down the street like a good girl should
he followed me down the street like i knew he wouldbecause a guy is a guy wherever he may be
so listen while i tell you what this fellow did to mei walked to my house like a good girl should
he followed me to my house like i knew he wouldbecause a guy is a guy wherever he may be
so listen while i tell you what this fellow did to mei never saw the boy before, so nothing could
be sillier
at closer range his face was strange but his manner was familiar
so i walked up the stairs like a good girl should
he followed me up the stairs like i knew he wouldbecause a guy is a guy wherever he may be
so listen while i tell you what this fellow did to meso i walked to my door like a good girl
should
he stopped at my door like i knew he wouldbecause a guy is a guy wherever he may be
so listen while i tell you what this fellow did to mehe asked me for a good night kiss
i said it's still good day
i would have told him more except
his lips got in the wayso i talked to my ma like a good girl should
and ma talked to pa like i knew she would
and they all agreed on the married life for me
a guy is a guy wherever ever he may be
so i walked down the aisle like a good girl should
he followed me down the aisle like i knew he wouldbecause a guy is a guy wherever he may be
so now youv'e heard the story of what someone did to me.that's what he did to me
