

Stairway to the Stars

The Sweet

The heroine's a hero
Uprating me to zero
I couldn't hold a candle to youThe hardest part is leaving
This web of love you weavingYou've shattered my illusions
I've come to the conclusion
You're gonna do a number on meI'll never get to heaven with youThere's a stairway to the stars
Yeah, but it's a freeway into your arms
There's a stairway to the stars
Yeah, but it's a freeway, stairway to the stars
Girls in your condition
They ain't in no position
To do the things you're doing to meYou opened like a flower
You filled my head with powerBoys get avaricious
Feeling pretty vicious
So don't you paint your fingers for meNo, no, you'll never get to heaven with meThere's a
stairway to the stars
Yeah, but it's a freeway into your arms
There's a stairway to the stars
Yeah, but it's a freeway, stairway to the starsTake the stairway to my heaven
Take the stairway to my heaven
Take the stairway to my heaven
Take the stairway to my heaven
There's a stairway to the stars
Yeah, but it's a freeway into your arms
There's a stairway to the stars
Yeah, but it's a freeway, stairway to the starsStairway to the stars
Stairway to the stars
Stairway to the stars
