## Empire Cast

She do it all night  
She goin' hard, right?  
She love the spotlight  
She make that thang go  
Drip drop, drip drippity drop  
Drip drop, I do my dance like  
Drip drop, drip drippity drop  
Drip drop, drip drippity drop I know you got that bomb shorty, can I get it?  
Somethin' on my mind, girl I know you ready  
I-I can't stop eyein' you  
Lovin' the way you move  
G-G-Got me obsessin' the sex, Undeniable  
Don't let go (go)  
You wanna get it when you on that pole (pole)  
You wanna get it when you but you scared to admit it  
'Cause you livin' for that minute when you on that flo', makin' doe  
And look at the way you dance (I'm doin' it for the bands)  
You got a lot of fans, make me wanna watch my hands  
She do it all night

She love the spotlight  
She make that thang go  
Drip drop, drip drippity drop
