## **Paint This House**

## **Brandy**

I ain't even close to leaving this house

There's still so many rooms left to cover

And there ain't no reason for you to ever be without

Memories of me and my loveAnd I want these stairs, those walls

kitchen counters, and those chairs

To remind you of how good it feels

And all of these floors and ceilings

and every hallway (yeah)

Not and inch will go untouched

Lets paint this house with our love (our love)I'll just lay while you stroke, you putting it down

Damn you showing all your colors

The wildest thoughts are provoking

Its like you're in my head right now (now, my head)

Cause you know me like no otherAnd I want these stairs, those walls

kitchen counters, and those chairs

To remind you of how good it feels

And all of these floors and ceilings

and every hallway (yeah)

Not and inch will go untouchedLets paint this house with our love (our love)

Our love

Love oh oh

Ooh ooh

Cancel the decorator

We don't need no help

You'll pick out the colors

We'll clean up the mess later

We do it so well

Loving one another

In the closet

On the Facets

In the balconies

Anywhere you are inside this house

You'll, think of me yeah yeah yeahAnd I want these stairs (stairs), those walls

kitchen counters, and those chairs (those chairs)

To remind you of how good it feels (good it feels)

And all of these floors and ceilings (floors and ceilings)

and every hallway (yeah yeah yeah)

Not and inch will go untouchedLets paint this house with our love (our love)

Our Love (our love)

Let's Paint this house with our love (love)

Let's paint this house with our love (our love)
