

# You're Not Alone (feat. Kiiara)

## Don Diablo & Kiiara

This time, this time  
You're not alone  
On this long and winding road Far from home  
Far from home  
This time, this time  
You're not on your own  
And though it's dark and cold deep down  
Walk alone  
Walk alone  
You're not alone  
This time, this time  
You're not alone  
This time, this time  
You're not on your own This time, this time  
You're not alone  
On this long and winding road  
Far from home  
Far from home  
This time, this time  
You're not on your own  
And though it's dark and cold deep down  
Walk alone  
Walk alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone  
This time, this time  
You're not alone  
This time, this time  
You're not on your own You're not alone
