

# All I Am

George Benson & Al Jarreau

Don't now the right words to say  
I'm not magic  
Don't hold the world in my hands  
Wish I could fly to the air like a hero  
But I'm just some one who loves you  
That's all I am  
Wish I could take you away to a palace  
Make you the Queen of a land  
All the riches and gold  
I don't have it  
I'm just some one who loves you  
That's all I am  
Love that is pure and secret  
I have all you need  
And with you that's everything to me  
So I'm cherish the moment  
I've saw you  
I might not give much more than that  
But if you look in my heart you'll find  
That I'm some one who loves you  
That's what I am  
So I'm cherish the moment  
I've saw you  
Life might not give me more than that  
But if you look in my heart you will find  
That I'm some one who loves you  
That's all I am  
Some one who loves you  
That's what I am  
I'm some one who loves you  
That's all I am
