

# Life On a Chain

Pete Yorn

I live on a chain  
you, share the same last name  
as a joke  
i sent a bottle of whiskey  
as you choked i knew  
it made you feel dirty  
I was waiting over here  
for life to begin  
i was looking for the new thing  
and you were the sunshine  
heading my frontline  
i was alone  
you were just around the corner from me  
Time alone is good  
i spend my days in the city  
dirty neighborhood  
you know you'll never convince me  
so i sold the town away  
i couldn't wait to forget you  
i was killed in half a day  
i hadn't time to regret you  
I was waiting over here  
for life to begin  
i was looking for the new thing  
and you were the sunshine  
heading my frontline  
i was alone  
you were just around the corner from me  
I live on chain  
you share the same last name  
as a joke  
i sent a bottle of whiskey  
as you choked i knew  
it made you feel dirty  
Waiting over here  
for life to begin  
i was looking for the new thing  
you were the sunshine  
heading my frontline  
i was alone  
and you were just around  
the corner from me

You were the sunshine  
heading my frontline  
just around the corner from me  
yeah you were  
you were the sunshine  
heading my frontline  
just around the corner  
from me  
Just around the corner  
from me
