

Fired Up

Mario Vazquez

The way that i am i can't help but show,
All i wanna do is sexual.
Love to do it every day and night,
How 'bout we do it one more time.
c'mon i see the way that i am i cant help but show,
All i wanna do is sexual
Love to do it every day and night
How 'bout we do it one more time. Someone help me out to find...Verse 1:
Girl you are my highlight,
You too sexy to discribe.
Then make your body,
Drives me to my limit.
Oh i can't help it,
And the best part is you mind and girl naaahhh...
Chorus:
And its like your body's got a mind of it's own
Baby three words and all night long
Watch out now i'm in my zone
Smell abunch a lovin' 'til the early mon'
C'mon i'm fired up (fired up)
So let's get it (lets' get it)
And if ya feel like i feel let me hit it
From your neck (your neck)
To your back (your back)
Ooo baby just like that
i'm fired up (fired up)
So lets get it (lets get it)
And if ya feel like i feel let me hit it
From your neck (your neck)
To your back (your back)
Ooo baby just like that
Verse 2:
When you get into this bed
Girl you so creative
And no other girl out there
Put it work from the sun til the end position
Chorus:
And its like your body's got a mind of it's own
Baby three words and all night long
Watch out now i'm in my zone
Smell abunch a lovin' 'til the early mon'
C'mon i'm fired up (fired up)
So let's get it (lets' get it)

And if ya feel like i feel let me hit it
From your neck (your neck)
To your back (your back)
Ooo baby just like that
i'm fired up (fired up)
So lets get it (lets get it)
And if ya feel like i feel let me hit it
From your neck (your neck)
To your back (your back)
Ooo baby just like that
Bridge:
Girl i'll put you on my stage
Because your the headliner
Gunna give you my front page
Because your the covergirl thats in my world
Your a top model
I put ya on the runway and my platform
Baby sign your autograph (sigh here)ooo... The way that i am i can't help but show,
All i wanna do is sexual.
Love to do it every day and night,
How 'bout we do it one more time.

All i wanna do is sexual
Love to do it every day and night
How 'bout we do it one more time.
Chorus:

Baby three words and all night long
Watch out now i'm in my zone

C'mon i'm fired up (fired up)
So let's get it (lets' get it)
