No, I didn't go to no college (Nah)  
Never had me a job, so I struggled (Yeah)  
Always had to turn up with the muscle (Had to)  
Had to eat like a dog with the muzzle (Ayy)  
It wasn't easy but was do-able (Do-able)  
The tables turned when you act like a fool (Like a fool)  
Can't deny, yeah (Can't deny)  
Can't deny (Can't deny)  
It wasn't easy but was do-able (Do-able)  
The tables turned when you act like a fool (Like a fool)

Can't deny, yeah, yeah (Can't deny) Went down to the city (Yeah), and I finally seen what it was

Record myself holdin' the mic (Forreal), and I finally got me a buzz (Facts)

I'm a kid and I'm still growin' up (Up)

With the fame, that's a lot in my cup (Cup)

I'ma keep going up to the stuff

I'ma all-star, but I don't got on Chucks (Chucks)

In this life you got a choice, either you talked about or talkin' (Ayy)

Ten toes, I'ma stay strong, 'cause I'm in it for the long run  
It wasn't easy but was do-able (Do-able)

The tables turned when you act like a fool (Like a fool)

Can't deny, yeah (Can't deny)

Can't deny (Can't deny)

It wasn't easy but was do-able (Do-able)

The tables turned when you act like a fool (Like a fool)

Can't deny, yeah (Can't deny)

Can't deny, yeah, yeah (Can't deny)
