Hurricane

Jimmy Needham

I have built a city here
Half with pride and half with fear
Just wanted a safer place to hide
I don't want to be safe tonightI need You like a hurricane

Thunder crashing wind and rain

To tear my walls down

I'm only Yours now

I need You like a burning flame

A wild fire untamed

To burn these walls down

I'm only yours now

I'm only yours now

I am Yours and You are mine

You know far better than I

And if destructions what I need

Then I'll receive it Lord from Thee

Yes I'll receive it Lord from TheeI need You like a hurricane

Thunder crashing wind and rain

To tear my walls down

I'm only Yours now

I need You like a burning flame

A wild fire untamed

To burn these walls down

I'm only yours now

I'm only yours now

And its Your eye in the storm

Watching over me

And its Your eye in the storm

Wanting only good for me

And if You are the war

Let me be the casualty

Till I'm Yours alone

I am only Yours

I am Yours alone LordI need You like a hurricane

Thunder crashing wind and rain

To tear my walls down

I need You like a hurricane

Thunder crashing wind and rain

To tear my walls down

I'm only Yours now

I need You like a burning flame

A wild fire untamed

To burn these walls down I'm only yours now I'm only yours now
