

I've Been Losing You

a-ha

It wasn't the rain that washed away
Rinsed out the colors of your eyes
Putting the gun down on the bedside table
I must have realized It wasn't the rain that made no difference
And I could have sworn it wasn't me
Yet I did it all so coldly almost slowly
Plain for all to see Oh c'mon please now talk to me
Tell me, things I could find helpful
How can I stop now? Is there nothing I can do?
I have lost my way, I've been losing you
I can still hear our screams competing
You're hissing your s's like a snake
Now in the mirror stands half a man
I thought no one could break It wasn't the rain that made no difference
Nervously drumming on run away
But I want the guilt to get me
Thoughts to wreck me, preying on my mind So, please now talk to me
Tell me, things I could find helpful
How can I stop now? Is there nothing I can do?
I have lost my way, I've been losing you Please now talk to me
Tell me, things I could find helpful
How can I stop now? Is there nothing I can do?
Please now talk to me
Tell me, tell me what to do helpful
How can I stop now? Is there nothing I can do?
I have lost my way, I've been losing you, you
I've been losing you, you I've been losing you {That's right} Gotta run away from you
