I've Been Losing You

a-ha

It wasn't the rain that washed away Rinsed out the colors of your eyes Putting the gun down on the bedside table I must have realizedIt wasn't the rain that made no difference And I could have sworn it wasn't me Yet I did it all so coldly almost slowly Plain for all to seeOh c'mon please now talk to me Tell me, things I could find helpful How can I stop now? Is there nothing I can do? I have lost my way, I've been losing you I can still hear our screams competing You're hissing your s's like a snake Now in the mirror stands half a man I thought no one could breakIt wasn't the rain that made no difference Nervously drumming on run away But I want the guilt to get me Thoughts to wreck me, preying on my mindSo, please now talk to me Tell me, things I could find helpful How can I stop now? Is there nothing I can do? I have lost my way, I've been losing youPlease now talk to me Tell me, things I could find helpful How can I stop now? Is there nothing I can do? Please now talk to me Tell me, tell me what to do helpful How can I stop now? Is there nothing I can do? I have lost my way, I've been losing you, you I've been losing you, you I've been losing you{That's right}Gotta run away from you Song Discussions is protected by U.S. Patent 9401941.
