

# Say You're Wrong

[Julian Lennon](#)

You say you love me, but I think you're wrong  
We've had times in the past when we weren't so strong  
Well, I don't know which way to turn  
And I don't know which way to turn  
The times have changed, I can read your face  
There's been so many lies and no tears with your cries  
Well I don't know which way to turn  
And I don't know which way to turn I've been ashamed for so many years  
I don't know how to cope when you bring out the tears  
And I don't know which way to turn  
'Cause I don't know which end to burn  
I love you more than a man could say  
We've been through a lot  
gone our sep'rate ways  
'Cause I don't know which way to turn  
And I don't know which way to turn  
I said I love you, well, I do  
I don't know whether I'm wrong or whether I'm right  
or which way to turn  
And I don't know which way to turn
