

# Fake You Out

## twenty one pilots

I want to drive away  
In the night, headlights call my name, I'll never be, be what you see inside  
You say I'm not alone, but I am petrified  
You say that you are close, is close the closest star?  
You just feel twice as far, you just feel twice as far  
And I'll fall  
And I'll break  
And I'll fake  
All I wanna  
And I'll fall down  
And I'll break down  
And I'll fake you out  
All I wanna  
I'm so afraid  
Of what you have to say  
Cause I am quiet now  
And silence gives you space  
I'll never be, be what you see inside  
You say I'm not alone, but I am petrified  
You say that you are close, is close the closest star?  
You just feel twice as far, you just feel twice as far  
And I'll fall  
And I'll break  
And I'll fake  
All I wanna  
And I'll fall down  
And I'll break down  
And I'll fake you out  
All I wanna  
It's the same game today as it always is  
I don't give these places fake my name explaining this  
And the wrists of my mind have the bleeding lines  
That remind me of all the times...  
I have committed  
Dirty dirty crimes that are perfectly form-fitted  
To what I've done and what I'm doing  
I'm brewing and losing and spewing infusing  
And believe me that's what all the kids are doing  
What kids are doing are killing themselves  
They feel they have no control of their prisoner's cell  
And if you're one of them then you're one of me  
And you would do almost anything just to feel free...  
Am I right? Of course I am  
Convince me otherwise would take all night  
Before you walk away, there's one more thing I  
want to say  
Our brains are sick but that's okay  
And I'll fall  
And I'll break

And I'll fake  
All I wanna  
All I wanna  
Yeah, and I'll fall down  
And I'll break down  
And I'll fake you out  
All I wanna  
Yeah, and I'll fall down  
And I'll break down  
And I'll fake you out  
All I wanna  
I'm so afraid  
Of what you have to say  
Cause I am quiet now  
And silence gives you space
