

Dakota

A Rocket to the Moon

She knows exactly what to do
Whenever I'm alone with her I can barely make a move
By the time she opens up her eyes
She sings to me at night
She's singing
(Ba da ba ba ba da ba ba da ba da)(Ba da ba ba ba da ba ba da ba da)
I know that she barely knows me
I'm not faking love with her
It's like I'm singing Karaoke
And I forgot the second verse
But I can make up my own words
Oh, Dakota I know our love is new
I barely know ya
I've fallen over you
It's the way you do the things you do That made me fall in love with you
Dakota, are you in love with me too? She's got a little bit of money And a little bit of this
And it's all she needs to live
I got a little bit of love
And a little bit of that
And it's all I have to give
This time I'll try no to show
That I am not letting go
Oh, Dakota
I know our love is new
I barely know ya
I've fallen over you
It's the way you do the things you do
That make me fall in love with you
Dakota, are you in love with me too?
I'll show ya, I'll show ya
That your love, that your love
I'm not letting go
I'll show ya, I'll show ya
That your love, that your love
I'm not letting go
(Ba da ba ba ba da ba ba da ba da)
(Ba da ba ba ba da ba ba da ba da)
Oh, Dakota
I know our love is new
I barely know ya
I've fallen over you
It's the way you do the things you do

That make me fall in love with you
Dakota, are you in love with me too?
Oh, Dakota
I know our love is new
I barely know ya
I've fallen over you
It's the way you do the things you do
That make me fall in love with you
Dakota, are you in love with me too?
I'm in love with you
Are you in love with me too?
