

# Let's Go Crazy

## Prince & The Revolution

Dearly beloved  
We are gathered here today  
To get through this thing called LIFE.  
Electric word "life"  
It means forever and that's a mighty long time  
But I'm here to tell you, there's something else  
The afterworld.  
A world of never-ending happiness  
You can always see the sun, day or night.  
So when you call up that shrink in Beverly Hills  
You know the one, Dr. Everything'll-Be-Alright  
Instead of asking him how much of your time is left  
Ask him how much of your mind, baby  
'Cause in this life  
Things are much harder than in the afterworld  
In this life, you're on your own  
And if de-elevator tries to bring you down  
Go crazy, punch a higher floor  
If you don't like  
The world you're living in  
Take a look around you  
At least you got friends  
I called my old lady  
For a friendly word  
She just picked up the phone  
Dropped it on the floor  
"Aah, aah!" is all I heard I'm not gonna let de-elevator bring us down, oh no, let's go  
Let's go crazy, let's get nuts  
Let's look for the purple banana  
'Til they put us in the truck  
Let's go  
All excited, but don't know why  
Maybe it's 'cause, we're all gonna die  
And when we do (when we do)  
What's it all for? (what's it all for)  
Better live now  
Before the grim reaper comes knocking on your door  
Tell me baby,  
Are we gonna let de-elevator bring us down?  
Oh, no, let's go Let's go crazy, let's get nuts  
Let's look for the purple banana  
'Til they put us in the truck

Let's goCome on baby, let's get nuts!  
Yeah, crazyLet's go crazyAre we gonna let de-elevator bring us down?  
Oh, no, let's goGo Crazy  
I said, let's go (crazy)Dr. Everything'll-Be-Alright  
Make everything go wrong  
Pills and thrills and daffodils will kill  
Hang tough childrenHe's coming  
He's coming  
Coming  
Take me away
