

Ice (Kaskade's ICE Mix) [with Dan Black]

Kaskade & Dada Life

I wanted money, cause money don't lie
I wanted tears, but I couldn't cry
I wanted you, I didn't know why
I wanted money, to fill up the sky I was so lost
And now I'm not
The boy that I was
Is inside...I'm ice.
You can see right through me.
I'm ice.
There's nothing in my eyes.
I'm ice, ice, ice...I wanted money, cause money don't lie
I wanted tears, but I couldn't cry
I wanted you, I didn't know why
I wanted money, to fill up the sky I was so lost
And now I'm not
The boy that I was
Is inside...I'm ice.
You can see right through me.
I'm ice.
There's nothing in my eyes. I'm ice, ice, ice...
I'm ice.
You can see right through me.
I'm ice.
There's nothing in my eyes. I'm ice, ice, ice.
