

# I'm Falling In Love Tonight

## The Judds

Dance with me, darlin', til' dawn  
I wanna sway in your arms  
'til the stars fade away  
Fade away Moving together as one  
'til the first gentle rays of the sun  
Light up the day  
Light the day(chorus)  
And while the music still plays  
Please let me hear you keep saying,  
Over and over I'm falling,  
Falling in love with you!  
Say there's no way I could lose you  
Hold me tight  
I'm falling in love tonight Touch me and tell me it's true  
That I'm not asleep and that you  
Are not just a dream  
Just a dream Here with your heart pressed to mine  
We flow like the river that winds  
Its way to the sea  
To the sea(chorus)  
Say there's no way I could lose you  
Hold me tight  
I'm falling in love tonight  
Hold me tight  
I'm falling in love tonight
