

# You Look Like I Need a Drink

Justin Moore

I could tell by the way  
You sounded when you called  
That I wasn't gonna like what you had to say  
I could read between the lines  
Somethin' different this time  
Your comin' over tonight cause it couldn't wait  
Now you're in the drive  
I'm a wreck inside as you walk in through that door  
You look like I need a drink right now  
You like like you're gonna try to let me down  
Nice and easy  
Think I know why you won't sit down  
You're just dancin' around what you came here to do  
But you're scared to  
And all I can think, the way you're lookin at me  
You look like I need a drink  
Been a little over a year  
Since you were standin' right here  
And I was nervous for a whole nother reason  
Now it's a little bit hard  
Bein' this caught off guard  
Watchin' you tryin' to not hurt my feelings  
You look like I need a drink right now  
You look like you're gonna try to let me down  
Nice and easy  
Think I know why you won't sit down  
You're just dancin around  
What you came here to do but you're scared to  
And all I can think  
The way you're lookin at me  
You look like I need a drink  
You look like I need a drink  
I don't know how this ends  
Or where this goes  
But the only thing I know is  
You look like I need a drink right now  
You look like you're gonna try to let me down  
Nice and easy  
Think I know why you won't sit down  
You're just dancin' around  
What you came here to do  
But you're scared to

And all I can think  
The way you're lookin' at me  
You look like I need a drink  
You look like I need a drink  
Yeah, you look like I need a drink right now  
Yeah, like I need a drink  
A nice stiff drink
