

# My Heart Has a History

Paul Brandt

My heart has a history  
Of hurtin' those who mean the most to me  
Before you get too close to me  
I think you oughta know  
While other hearts are holdin' on  
While other loves are growin' strong  
My heart has a history of lettin' go  
The first time I looked into your eyes  
I knew this moment would arrive  
I got a feelin' you're the one  
But my heart keeps tryin' to turn and run  
The problem is this happens everytime (cause)  
My heart has a history  
Of hurtin' those who mean the most to me  
Before you get too close to me  
I think you oughta know  
While other hearts are holdin' on  
While other loves are growin' strong  
My heart has a history of lettin' go  
If we can take this one kiss at a time  
Then maybe we can tame this heart of mine  
I'm telling you the cold, hard truth  
I ain't ever been loved by the likes of you  
And I ain't ever had this much on the line, but  
My heart has a history  
Of hurtin' those who mean the most to me  
Before you get too close to me  
I think you oughta know  
While other hearts are holdin' on  
While other loves are growin' strong  
My heart has a history of lettin' go  
Yeah, my heart has a history of lettin' go (yeah)
