## **Turn On the Music (Axwell Remix)**

## **Roger Sanchez**

Feel that sound! (6x)Well I I've been waiting long enough Hey DJ please won't you turn it up Wanna feel that base, yeah Cause I get a rush And when it comes, I can't get enoughSo turn on the music Why don't you turn on the music Oh know how to use it When you turn on the music, music, yeah!Think it's time you turn on the music Feel that sound rushing over me Cause every time you turn on the music I can't control what comes over me Think it's time you turn on the music Feel that sound rushing over me Cause every time you turn on the music I can't control what comes over meThink it's time you turn on the music Feel that sound rushing over me Cause every time you turn on the music I can't control what comes over meFeel that sound washing over me, yeah! Can you feel it now!Think it's time you turn on the music Feel that sound rushing over me Cause every time you turn on the music I can't control what comes over meThink it's time you turn on the music Feel that sound rushing over me Cause every time you turn on the music I can't control what comes over meYou know I feel it When I'm out on the floor The rhythm starts to take a hold It goes right to my body Right down to my soul I think my minds gonna overloadSo turn up the music Why don't you turn up the music Oh, you know how to use You gotta turn up the music, music, yeahFeel that sound! (6x)Think it's time you turn on the music Feel that sound rushing over me Cause every time you turn on the music I can't control what comes over meThink it's time you turn on the music Feel that sound rushing over me Cause every time you turn on the music I can't control what comes over meFeel that sound Music over me yeah Feel that sound

Can't you feel it now Feel that sound Right down to my soul Feel that sound Turn up the music, yeahSo turn up the music! (5x) Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
