One Toy Soldier

Enya

One toy soldier stands alone With his drum down by his sideOne toy soldier on his own With his drum to keep the timeHe keeps the beet of marching feet He keeps the beat so true He's one small toy for one small boy But his heart is oh so blueWho can mend my broken drum Will it be as good as newI must play when morning comes If i don't, what shall I do?He keeps the beat of marching feet He keeps the beat inside While children sleep, in dreams so deep There's a secret he must hide For he keeps the beat of marching feet He keeps the beat so true He wants to sing and hopes to bring Happy christmas day to youDa, Da, Da...He keeps the beat of marching feet He keeps the beat inside Someone has come to mend his drum Now his heart lights up with prideSo he keeps the beat of marching feet He keeps the beat so true When morning comes, he plays his drumHappy Christmas Day to you! Happy Christmas Day to you! Happy Christmas Day to you! Holidays are here again! Holidays are here again! Holidays are here again! Holidays are here again!
