Extreme Ways (Jason Bourne)

Moby

Extreme ways are back again extreme places i didn't know I broke everything new again everything that i'd owned I threw it out the windows, came along extreme ways i know move apart the colors of my sea perfect color meExtreme ways that that help me help me out late at night extreme places i had gone but never seen any light dirty basements, dirty noise dirty places coming through extreme worlds alone did you ever like it plannedI would stand in line for this there's always room in life for this Oh baby, oh baby then it fell apart, fell apart oh baby, oh baby then it fell apart, it fell apartoh baby, oh baby then it fell apart, it fell apart oh baby, oh baby like it always does, always does Extreme songs that told me they helped me down every night I didn't have much to say I didn't get above the light I closed my eyes and closed myself and closed my world and never opened up to anything that could get me along

too many things to cover metoo much can make me blindI've seen so much in so many places so many heartaches, so many faces

I had to close down everything I had to close down my mind

so many dirty things
you couldn't believe
I would stand in line for this
it's always good in life for thisOh baby, oh baby
then it fell apart, fell apart
oh baby, oh baby
then it fell apart, it fell apart

oh baby, oh baby
then it fell apart, it fell apart
oh baby, oh baby
Oh baby, oh baby
then it fell apart, fell apart
oh baby, oh baby
then it fell apart, it fell apart
oh baby, oh baby
then it fell apart, it fell apart
oh baby, oh baby
then it fell apart, it fell apart
oh baby, oh baby
