

Rock Your Body

Burna Boy

yah yah yah yah yah
yah yah yah yah yah
(jewels baby)

so anytime we stepping ah di place make u stand up
upright and pattern up right make sure everything nice
burnaboy ting(awake!)

she think say she bad she think say she hot her fada
make u borrow her car shay na catarrh
she say she left the hotel room yh she sp
girl ah move spicey me am with d salt ah
girl I fit wind up and imma roll em body
and all d mandem ma fit whole d body
everything u told me never told no body
u say your man can't control your body

so make I rock your body, rock your body, rock your body rock e rock e
rock your body, rock your body, rock your body
would you be mine?

if I be all yours

you are defined, been searching for yoursyour body, rock your body
whine for me baby

your body rock your body your body

move for me baby

your body rock your body your body

dagbana eh eh

your body rock your body your body

dagbana eh eh

say if u give me ur love

then I go give u my love too

and if u give me d shitor

I go Jinnah d jollof oh

baby! wetin I go talk

d wey u dey whyne I go shut up

and u con siddown ontop

make me start this song again from top

that ah burst inna me head

time ah get rough but things are getting better

burnaboy cah just forget me daily bread

follow me go imma sleep inna me bed

you gwarn man ah never hear what me said

what me did ah tell you make u watch ur boyfriend

some likkle waist man pon internet ah

he dah real badman to run d puy red ah

big batty girl waist thinner than ah thread
big batty softer than morning bread
u con dey see me anytime e wat a
anytime we link up I no go ah fit hearrrryour body, rock your body
whine for me baby
your body rock your body your body
move for me baby
your body rock your body your body
dagbana eh eh
your body rock your body your body
dagbana eh ehFlat out, flat out, tell me what's the matter
Femi nomma ma dou
Glad I want to wadda youFlat out, flat out, tell me what's the matter
Femi nomma ma dou
Glad I want to wadda youFlat out, flat out, tell me what's the matter
Femi nomma ma dou
Glad I want to wadda youFlat out, flat out, tell me what's the matter
Femi nomma ma dou
Glad I want to wadda youThey my casta (i me think they my casta)
They my castaThey my casta (i me think they my casta)
They my casta
Said baby move your bumpah, ah
Do you know i'mma come for ah
And now I'mma dumo hado, be, do, do, be, do, uh ha
do, be, do, do, be, do, uh ha
do, be, do, do, be, do, uh ha
