

Yellow

Brooke White

Look at the stars
Look how they shine for you
And everything you do
Yeah, they were all yellow I came along
I wrote a song for you
And all the things you do
And it was called 'Yellow' So then I took my time
Oh what a thing to've done
And it was all yellow Your skin, oh yeah, your skin and bones
Turn into something beautiful
D'you know? You know I love you so
You know I love you so
I swam across
I jumped across for you
Oh what a thing to do
'Cause you were all yellow I drew a line
I drew a line for you
Oh what a thing to do
And it was all yellow Your skin, oh yeah, your skin and bones
Turn into something beautiful
D'you know? For you I bleed myself dry
For you I bleed myself dry It's true
Look how they shine for you
Look how they shine for you
Look how they shine for
Look how they shine for you
Look how they shine for you
Look how they shine Look at the stars
Look how they shine for you
And all the things that you do
