[Rich Gang](#)

Oh Oh naa Ohhh, ayee yaaOoh I know we started wrong,Wish the things I said was gone,Oh  
then I could still make love to youLeave our towels in the bathroom,Pictures in the living  
room,Dishes in the kitchen, Girl let's just,Burn this house down, girlLeave everything  
insideBurn this house down, Ohhh ohh uhhBurn this house down, Oh naaIt'll never be the  
same,Let's burn our house down,Leaving everything behind now,
