

From the Ground Up

Dan + Shay

Grandma and grandpa
Painted a picture
Of 65 years
In one little house More than a memory
More than saying I do
Kiss you goodnights
And I love you Me and you, baby
Will walk in their footsteps
Build our own family
One day at a time 10 little toes
A painted pink room
Our beautiful baby
Looks just like you
And we'll build this
Lo-ove
From the ground up
Now 'til forever It's all of me
All of you
Just take my hand
And I'll be the man your dad hoped that I'd be And we'll build this
Lo-ove
From the ground up
For worse or for better And I will be
All you need
Beside you
I'll stand
Through the good and the bad
We'll give all that we have
And we'll build this love
From the ground up This life will go by
In the blink of an eye
But I wouldn't wanna spend it
Without you by my side The clouds are gonna roll
The earth's gonna shake
But I'll be your shelter
Through the wind and the rain And we'll build this
Lo-ove
From the ground up
Now 'til forever It's all of me
All of you
Just take my hand
And I'll be the man your dad hoped that I'd be And we'll build this

Lo-ove
From the ground up
For worse or for better And I will be
All you need
Beside you
I'll stand Through the good and the bad
We'll give all that we have
And we'll build this love
From the ground up Oh, woah, oh-oh Someday we'll wake up
With thousands of pictures
Of 65 years
In this little house I won't trade for nothin'
The life that we built
I'll kiss you goodnight
And say I love you still And we'll build this
Lo-ove
From the ground up
For worse or for better And I will be
All you need
Beside you
I'll stand Through the good and the bad
We'll give all that we have
And we'll build this love
From the ground up From the ground up
