Can You Feel the Love Tonight

Elliott Yamin

There's a calm surrender

To the rush of day

When the heat

Of a rolling wind

Can be turned awayAn enchanted moment

And it sees me through

It's enough

For this restless warrior

Just to be with youAnd can you feel

The love tonight?

It is where we are

It's enough

For this wide-eyed wanderer

That we've got this far

And can you feel

The love tonight

How it's laid to rest?

It's enough

To make kings and vagabonds

Believe the very bestThere's a time for everyone

If they only learn

That the twisting kaleidoscopeMoves us all in turnThere's a rhyme and reason

To the wild outdoors

When the heart of this

Star-crossed voyager

Beats in time with yours

And can you feel

The love tonight?

It is where we are

It's enough for this

Wide-eyed wanderer

That we've got this farAnd can you feel

The love tonight?

How it's laid to rest?

It's enough

To make kings and vagabonds

Believe the very bestIt's enough

To make kings and vagabonds

Believe the very best
