

Issues

Mindless Self Indulgence

*ding*ding*

smooch

*champagne pop and bubbles*Oohh, I'd rather fuck ya than kiss ya (kiss ya)

But I won't press the issue

You know what I need is (I need, I need)

And ya never gonna be it (be it)

I shoulda hesitated

When we was inebriated

So unsophisticated (-cated)

Too late to be debated

It's 3 a.m. - she won't put out

Lets go make out with her friends

Make out with her friends' friends

It's 3 a.m. - she won't put out

Lets go make out with her friends

MAKE-OUT-WITH-HER-FRIENDS*din*din*

smooch

*champagne pop and bubbles*Oohh, I want a lot of profanity

With a lot less virginity

It's a Bonus situation

With the right explanation

'Cause I'm on that mission

A reproductive mission

Now take my clothes off

And show me what you're made of

It's 3 a.m. - she won't put out

Lets go make out with her friends

Make out with her friends' friends

It's 3 a.m. - she won't put out

MAKE-OUT-WITH-HER-FRIENDSExcuse me, do you want to screw? (x2)
