

# Bring Your Love Down (Didn't I)

Yaz

You say it's time to leave now babe I can't believ  
That you have the strenght to go now  
I won't stand in your way I'd be standing there all day  
Ain't that something we both know now  
You play your games but the fact remains  
I'm the only one that can hold your reins  
Chorus  
Didn't I bring your love down  
Didn't I bring your love down all night  
If you think you need a change well I'm sure we can  
arrange  
For you to get on your own for a while  
But I don't need to worry 'cause you'll get back in a hurry  
I know that you like my style  
You play your games but the fact remains  
I'm the only one that can hold your reins  
Chorus
