

Something About You (ODESZA Remix)

Hayden James

There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
(uhh)

There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
(uhh)

What about a hit?

What about a hit of your look
Start to shake

Start to shake with your hand
What of a click?

What of a click, are you a freak?
You turn and face me

Maybe this time I'll choose
What about a hit?

What about a hit of your look
Start to shake

Start to shake with your hand
What of a click?

What of a click, are you a freak?
You turn and face me

Maybe this time I'll choose (Ooh)

What about a hit of your look (ooh)

Start to shake with your hand (ooh)

What of a click, are you a freak? (ooh)

Maybe this time I'll choose (ooh)
What about a hit of your look (ooh)

Start to shake with your hand (ooh)

What of a click, are you a freak? (ooh)

You turn and face me

Maybe this time I'll choose Uhh, closer

Closer

Uhh, closer You turn and face me
Maybe this time I choose Uhh, closer
Uhh, closer You turn and face me
Maybe this time I choose Uhh, closer
Uhh, closer You turn and face me
Maybe this time I choose There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
There's something about you
What about a hit?
What about a hit of your look
Start to shake
Start to shake with your hand
What of a click?
What of a click, are you a freak?
You turn and face me
Maybe this time I'll choose What about a hit?
What about a hit of your look
Start to shake
Start to shake, with your hand
What of a click?
What of a click, are you a freak?
You turn and face me
Maybe this time I'll choose
