Shake Me

Cinderella

All right yea

I met this girl around quarter to ten

We made it once she said "make me again"

She wrapped her love around me all night long

In the mornin' we were still goin' strongNow let me tell ya it sure feels good

First time I saw that girl I knew it would

Now let me tell ya it sure felt right

No pullin' teeth she didn't want to fight she said

Shake me

All night

She said

Shake me

Shake it don't break it baby

Shake me

All night

She said

All night long

All night long babyScreamed and scratched and rolled out of the bed

I never really got her out of my head

And now and then she makes those social calls

Gives me a squeeze gets me kickin' the wallsNow let me tell ya it still feels tight

And we were shakin' after every bite

I feel her comin' in the middle of the night

screamin' higher

Shake me

All night

She said

Shake me

Shake it don't break it baby

Shake me

All night

She said

Shake me

ooo yeaAll night, keep the fire burnin' cause we're doin' all right

All night, come on and shake it rightShake me

Shake me

Shake me

Shake me

Shake me

All night

She said

Shake me

Shake it don't break it baby

Shake me

All night

She said

Shake me

ooo yeaShake me

Shake me

Shake me

Shake me
