Cash Cash

If you don't got money, don't fuck with us

Fuck with us, fuck with us

If you don't got money, don't fuck with us

Fuck with us, fuck with us

If you don't got money, don't fuck with us

Can't fuck with us, can't fuck with us

If you don't got money, don't fuck with us

Don't fuck with us
