

# Automatic

[Nicki Minaj](#)

I can't control the way I'm movin my hips, Bet you never ever seen me like this  
I'm a monster on the floor, I can't quit  
No no it's automatic, it's automatic  
It's automatic I'm a run away train  
And it's likely that I tear up this place, When I go I go hard  
I'mma show you bizarre tonight, tonight(ni-i-ight)  
It's automatic my condition's unknown  
There's no remedy and no antidote  
It's just the way that I am Nicki Nicki so bad tonight tonight (ni-i-ight)  
I can't control the way I'm movin' my hips, Bet you never ever seen me like this  
I'm a monster on the floor I can't quit  
No no it's automatic, it's automatic(Eh...)  
It's automatic(eh...), it's automatic  
It's automatic some might call it insane  
I assure you I'll be stuck in your brain, You'll be falling for me boy, yeah  
Just like a domino tonight tonight(ni-i-ight)  
It's automatic when I'm rockin' the beat  
Systematically I'm droppin' your heat, It's just the way that I am  
Nicki Nicki so bad tonight tonight (night)  
I can't control the way I'm movin' my hips, Bet you never ever seen me like this  
I'm monster on the floor I can't quit  
No no it's automatic(eh...), it's automatic(eh...) It's automatic  
Press rewind, p-p-press rewind(It's automatic)  
I-I'm Einstein, I'm lookin' for that Einstein Wales, London, Ireland  
Scotland I can idle in, South Africa and Brazil  
Shut the club down, bring the bill  
Ri-ri-ri-ri-ring the bill, Br-bri-bri-bri-bring the bill  
Bri-bri-bring the bill, Shut the club down Bring the bill  
I can't control the way I'm movin' my hips, Bet you never ever seen me like this  
I'm a monster on the floor I can't quit  
No no it's automatic(eh...), it's automatic(eh...), it's automatic
