

Baddabing Baddaboom

Earl

I lie for you
I lie cheat, and steal
And cry for you
And when i'm in your arms i'd die for you
And so comes alittle death
Umm umm
I'm blind for you
The only man to cross my line is you
My house of cards has been designed
For you
My daddys got a magic trick
Umm umm
Baddabing Baddaboom
Baddabing Baddaboom
Everytime my babbies in the room
Baddabing Baddaboom
Baddabing Baddaboom
Im crazy, crazy
For your
Baddabing Baddabing Baddabing
Baddabing Baddabing Baddabing
Baddaboom boom boom
I lie for you
I lie awake upon the night for you
Cause Cleopatra's got her eyes for you
Dugged a way inside my bed
Umm umm
I dream of you
I am the cat who got the cream for you
You know i'd claw and scratch and scream
To you
You do that dirty trick again
Umm umm
Baddabing Baddaboom
Baddabing Baddaboom
Everytime my babbies in the room
Baddabing Baddaboom
Baddabing Baddaboom
I'm crazy, crazy
For your
Baddabing Baddabing Baddabing
Baddabing Baddabing Baddabing

Baddaboom boom boom
La la la
La la la la la la la la la
La la la la la la la la la
La la la
La la la la la la la la la
La la
Baddabing Baddaboom
Baddaboom boom boom
Baddabing Baddaboom
Baddabing Baddaboom
Evertime my babbies in the room
Baddabing Baddaboom
Baddabing Baddaboom
I'm crazy, crazy
For your
Baddabing Baddabing Baddabing
Baddabing Baddabing Baddabing
Baddaboom boom boom
Baddabing Baddaboom
Baddabing Baddaboom
Evertime my babbies in the room
Baddabing Baddaboom
Baddabing Baddaboom
I'm crazy, crazy
For your
Baddabing Baddabing Baddabing
Baddabing Baddabing Baddabing
Baddaboom boom boom
