Paranoid going through it Oh Lord! Somebody pray for me please somebody amen

devil off me I need some holy water Lord somebody pray for me somebody pray for me I got  
so much money bitch I can't go to sleep I lost my granny Georgia oh may she rest in peace I  
took a bunch of diamonds put 'em in my Jesus piece I'm sick and tired of crying all my niggas  
in the city dying either that or prison cells they doing so much time I just won't ever get it that  
clip gonna come extended the last nigga threatened mine I swear he end up missing I'm calling  
out to God I hope he get the message just bought a brand new choppa run up and you'll regret it

still know its a blessing somebody pray for me somebody pray for me just 'cuz I'm in the 'rari
