

# I Need You

## America

We used to laugh  
we used to cry  
we used to bow our heads then  
wonder why  
but now you're gone  
i guess i'll carry on  
and make the best of what you've left to me  
left to me, left to me  
I need you  
like the flower needs the rain  
you know, i need you  
guess i'll start it all again  
you know, i need you  
like the winter needs the spring  
you know i need you  
i need you  
And every day  
i'd laugh the hours away  
just knowing you were thinking of me  
then it came  
that i was put to blame  
for every story told about me  
about me, about me  
I need you  
like the flower needs the rain  
you know, i need you  
guess i'll start it all again  
you know, i need you  
like the winter needs the spring  
you know i need you  
i need you, i need you
