

# Winter (2015 Remastered Version)

Tori Amos

Snow can wait, I forgot my mittens  
Wipe my nose, get my new boots on  
I get a little warm in my heart when I think of winter  
I put my hand in my father's glove I run off where the drifts get deeper  
Sleeping Beauty trips me with a frown  
I hear a voice, "You must learn to stand up  
For yourself 'cause I can't always be around" He says, when you going to make up your mind?  
When you going to love you as much as I do?  
When you going to make up your mind?  
'Cause things are going to change so fast  
All the white horses are still in bed  
I tell you that I'll always want you near  
You say that things change, my dear  
Boys get discovered as winter melts  
Flowers competing for the sun  
Years go by and I'm here still waiting  
Withering where some snowman was Mirror, mirror, where's the crystal palace?  
But I only can see myself  
Skating around the truth who I am  
But I know, dad, the ice is getting thin When you going to make up your mind?  
When you going to love you as much as I do?  
When you going to make up your mind?  
'Cause things are going to change so fast  
All the white horses are still in bed  
I tell you that I'll always want you near  
You say that things change, my dear  
Hair is grey and the fires are burning  
So many dreams on the shelf  
You say I wanted you to be proud of me  
I always wanted that myself When you going to make up your mind?  
When you going to love you as much as I do?  
When you going to make up your mind?  
'Cause things are going to change so fast  
All the white horses have gone ahead  
I tell you that I'll always want you near  
You say that things change, my dear Never change  
All the white horses
