

# Gold Dust Woman

## Hole

Rock on, gold dust woman  
Take your silver spoon  
Dig your grave one less challenge  
Pick your path and I'll pray  
Wake up in the morning  
See your sunlight burning to go down  
Lousy lovers pick their preys  
But they never cry out loud cry  
Did she make you cry? Make you break down?  
Shatter your illusions of love?  
Is it over now? Do you know how?  
Pick up the pieces and go home  
Ooh, shadow of a woman  
Rock on, gold dust woman  
Follow those who pale in your shadow  
Rulers make bad lovers  
Better put your kingdom up for sale, up for sale  
Well, did she make you cry? Make you break  
down?  
Shatter your illusions of love?  
Is it over now? Do you know how?  
Pick up the pieces and go home  
Did she make you cry? Make you break down?  
Shatter your illusions of love?  
Well, is it over now? Do you know how?  
Pick up the pieces and go home, to go home  
Ooh, shadow of a woman  
Ooh, shadow of a woman  
Ooh yeah, shadow of a woman  
Ooh, shadow of a woman  
Black widow  
Ooh yeah, shadow of a woman  
Woman, black widow  
Ooh yeah, shadow of a woman  
Black widow  
Ooh yeah, shadow of a woman  
Black, black widow  
Ooh yeah, shadow of a woman  
Black widow
