Gold Dust Woman

Hole

Rock on, gold dust woman

Take your silver spoon

Dig your grave one less challenge

Pick your path and I'll prayWake up in the morning

See your sunlight burning to go down

Lousy lovers pick their preys

But they never cry out loud cry outDid she make you cry? Make you break down?

Shatter your illusions of love?

Is it over now? Do you know how?

Pick up the pieces and go homeOoh, shadow of a woman

Rock on, gold dust woman

Follow those who pale in your shadow

Rulers make bad lovers

Better put your kingdom up for sale, up for saleWell, did she make you cry? Make you break down?

Shatter your illusions of love?

Is it over now? Do you know how?

Pick up the pieces and go homeDid she make you cry? Make you break down?

Shatter your illusions of love?

Well, is it over now? Do you know how?

Pick up the pieces and go home, to go homeOoh, shadow of a woman

Ooh, shadow of a woman

Ooh yeah, shadow of a woman

Ooh, shadow of a woman

Black widow

Ooh yeah, shadow of a woman

Woman, black widow

Ooh yeah, shadow of a woman

Black widowOoh yeah, shadow of a woman

Black, black widow

Ooh yeah, shadow of a woman

Black widow
