

# Ice Age

Dr. John

Pretty soul age, better you got ...  
Now you got nothing to hide  
Well I ain't moving too fast, you just moving too slow  
Moving too slow  
... what you did before, ain't what you know  
Is who you know  
Ain't no age of innocence, ladies and gents  
No make no face, seeing the unseen  
We ...Cia, all playing the same age  
Living in the ice age, living in the ice age  
Now it's cold age  
Worry bout the rent, ain't got a cent  
Got no cash to flash but he ain't got no friends  
We loose the jobs, ...loosing all, using dope  
Now your ...at the end of our roads  
Ain't no age of innocence, ladies and gents  
No make no face, seeing the unseen  
We ...Cia, all playing the same age  
Living in the ice age, play  
This is the ice age, smoking the crack, final blunts  
Wanna be in jail, doing ...  
Kids with bruises, ... suckers, death is always there  
If you ain't iced, you gotta breathe the life within  
Ain't no age of innocence,  
Ain't no age of innocence, ladies and gents  
No make no face, seeing the unseen, seeing the unseen  
We ...Cia, all playing the same age  
Ain't no age of innocence,  
Ain't no age of innocence, ladies and gents  
No make no face, seeing the unseen, seeing the unseen  
We ...Cia, all playing the same age  
Living in the ice age, living in the ice age.
