

# Why

Michelle Chamuel

Why  
How many times do I have to try to tell you  
That I'm sorry for the things I've done  
But when I start to try to tell you  
That's when you have to tell me  
Hey, this kind of trouble's only just begun  
I tell myself too many times  
Why don't you ever learn to keep your big mouth shut  
That's why it hurts so bad to hear the words  
That keep on falling from your mouth  
Falling from your mouth  
Falling from your mouth  
Tell me,  
Why  
Let's go down to the water's edge  
And we can cast away those doubts  
Some things are better left unsaid  
But they still turn me inside out  
Turning inside out turning inside out  
Tell me,  
Why  
This is the book I never read  
These are the words I never said  
This is the path I'll never tread  
These are the dreams I'll dream instead  
This is the joy that's seldom spread  
These are the tears, the tears we shed  
This is the fear, this is the dread  
These are the contents of my head  
These are the years that we have spent  
And this is what they represent  
And this is how I feel  
Do you know how I feel?  
Oh oh, I don't think you know  
I don't think you know what I feel  
No, I don't think you know, what I feel
