

Chasing These Bands (feat. PNB Rock & Fabolous)

Don Q

[Intro: Don Q & PnB Rock]

Don

Yeah

PnB wusgood?

Yeah, yeah

Oh yeah

Philly, NY [Hook: PnB Rock]

Yeah, fuck you, I don't need new friends

Just me and my gang 'til the end

No I'm not chasing no trans

I'm too busy chasing these bands

I'm tryna whip me a Benz

Re-up and cop me a Lamb

Catch me a lick on the scam

I'm too busy chasing these bands

I'm too busy chasing these bands

I'm too busy chasing these bands

I'm too busy chasing these bands

I'm too busy chasing these bands

Fuck you, I don't need new friends

I'm tryna whip me a Benz

Re-up and cop me a Lamb

I'm too busy chasing these bands

[Verse 1: Don Q]

Hit the bank and take cash out it

I don't come if I can't get stacks out it

I used to hustle out of trap houses

Now we live good and just rap 'bout it

Like a Nascar, when I'm back out it

I drop the top and I take the back out it

We never fight over hoes, no

We fuck 'em casually and then we laugh 'bout it

They try to come for the king, nigga the fuck do you mean?

Fell asleep [?] and this stupid bitch drunk all my lean

Hundred bitches for a sleepover

Codeine soda, top lean over

Nigga, I just can't sleep sober

Ten pints before the week over

Like damn, new niggas they was never around

I know that papa will be very proud

Smoking cigars with [?]
Fuck is you niggas gon' tell me now?
I be with the demons
I whip the beamer where I'm sippin' steam
And all these diamonds make me feel conceited
Why the fuck you touch my chain, bitch you could still see it
Yeah, yeah

[Hook: PnB Rock]

Fuck you, I don't need new friends
Just me and my gang 'til the end
No I'm not chasing no trans
Too busy chasing these bands
I'm tryna whip me a Benz
Re-up and cop me a Lamb
Catch me a lick on the scam
I'm too busy chasing these bands
I'm too busy chasing these bands
I'm too busy chasing these bands
I'm too busy chasing these bands
I'm too busy chasing these bands
Fuck you, I don't need new friends
I'm tryna whip me a Benz
Re-up and cop me a Lamb

I'm too busy chasing these bands [Verse 2: Fabolous]

Bounty hunter for the bands
I found another hundred bands (got it)
I might of lost of couple friends (fuck it)
But I found a lot of rubber bands (yup)
I see you haters, throwing jabs
I'm counting punches with the bands
I called away for the money
[?] for the bands
Oh, oh, count the money while I dance
Bust it, bust it, now she my number one fan
I found the thumb through the gram
Now we stuntin' in the Lamb
The pound underneath the pan
You sound like thunder with it blams
Don't make me go Westbrook
You got zero on me like Westbrook
All three of y'all is a dub now
That's a triple double like Westbrook
[?] you rockin' really just I'm broke and stress look
I leveled up to my ice grill, it's just how the Rolex look
Let's get it! [Hook: PnB Rock]
Fuck you, I don't need new friends (yeah!)
Just me and my gang 'til the end (yeah!)
No I'm not chasing no trans (yeah!)
Too busy chasing these bands

I'm tryna whip me a Benz
Re-up and cop me a Lamb (yeah!)
Catch me a lick on the scam
I'm too busy chasing these bands
I'm too busy chasing these bands
I'm too busy chasing these bands
I'm too busy chasing these bands
I'm too busy chasing these bands
I'm too busy chasing these bands
Fuck you, I don't need new friends
I'm tryna whip me a Benz
Re-up and cop me a Lamb (yeah!)
I'm too busy chasing these bands (yeah!)
