

# Do You Really Want to Hurt Me

## Culture Club

Give me time to realize my crime  
Let me love and steal  
I have danced inside your eyes  
How can I be real Do you really want to hurt me  
Do you really want to make me cry  
Precious kisses words that burn me  
Lovers never ask you why  
In my heart the fire's burning  
Choose my color find a star  
Precious people always tell me  
That's a step a step too far Do you really want to hurt me  
Do you really want to make me cry  
Do you really want to hurt me  
Do you really want to make me cry  
Words are few  
I have spoken  
I could waste a thousand years  
Wrapped in sorrow, words are token  
Come inside and catch my tears  
You've been talking but believe me  
If it's true you do not know  
This boy loves without a reason  
I'm prepared to let you golf it's love you want from me  
Then take it away  
Everything's not what you see it's over again. Do you really want to hurt me  
Do you really want to make me cry  
Do you really want to hurt me  
Do you really want to make me cry  
Do you really want to hurt me  
Do you really want to make me cry  
Do you really want to hurt me  
Do you really want to make me cry Do you really want to hurt me  
Do you really want to make me cry
