

Fire Away

[Skrillex](#)

Take me with you when you go
Don't leave me out here on my own
Take me with you when you go
Fire away, fuck this place that we call homeTake me with you when you go
Don't leave me out here on my own
Take me with you when you go
Fire away, fuck this place that we call homeTake me with you
Take me with you
Take me with you when youTake me with you
Take me with you
Take me with you when you
Take me with you
Take me with you
Take me with you when youFuck this place
Fuck this placeTake me with you when you go
Don't leave me out here on my own
Take me with you when you go
Fire away, fuck this place that we call homeTake me with you when you go
Take me with you when you go
Take me with you when you go
Take me with you when you goTake me with you when you go
Take me with you when you go
Take me with you when you go
Take me with you when you go
Don't leave me out here on my own
Take me with you when you go
Fire away, fuck this place that we call homeTake me with you when you go
Don't leave me out here on my own
Take me with you when you go
Fire away, fuck this place that we call home
