Don't Turn Around

Bonnie Tyler

Every now and then

I get a little bit lonely

And you're never coming round(Turn around)

Every now and then

I get a little bit tiredOf listening to the sound of my tears(Turn around)

Every now and thenI get a little bit nervous

That the best of all the years have gone by (Turn around)

Every now and then I get a little bit terrified

And then I see the look in your eyes

(Turn Around, bright eyes)

Every now and then I fall apart

(Turn Around, bright eyes)

Every now and then

I fall apart(Turn around)

Every now and then

I get a little bit restless

And I dream of something wild

(Turn around)

Every now and then

I get a little bit helpless

And I'm lying like a child in your arms

(Turn around)

Every now and then

I get a little bit angry

And I know I've got to get out and cry

(Turn around)

Every now and then

I get a little bit terrified

But then I see the look in your eyes

(Turn Around, bright eyes)

Every now and then

I fall apart

Turn around, bright eyes

Every now and then

I fall apartAnd I need you now tonight

And I need you more than ever

And if you only hold me tight

We'll be holding on forever

And we'll only be making it right

'Cause we'll never be wrong

Together we can take it to the end of the line

Your love is like a shadow on me all of the time

(All of the time)I don't know what to do and I'm always in the dark We're living in a powder keg and giving off sparks

I really need you tonight

Forever's gonna start tonight

(Forever's gonna start tonight)Once upon a time

I was falling in love

But now I'm only falling apartThere's nothing I can do A total eclipse of the heartOnce upon a time there was light in my life

But now there's only love in the dark

Nothing I can say

A total eclipse of the heart(Turn Around, bright eyes)

(Turn Around, bright eyes)(Turn around)

Every now and then

I know you'll never be the boy

You always wanted to be

(Turn around)

But every now and then

I know you'll always be the only boy

Who wanted me the way that I am

(Turn around)

Every now and then

I know there's no one in the universeAs magical and wondrous as you

(Turn around)

Every now and then

I know there's nothing any better

There's nothing that I just wouldn't do

(Turn Around, bright eyes)

Every now and then I fall apart

(Turn Around, bright eyes)

Every now and then I fall apartAnd I need you now tonight

And I need you more than ever

And if you only hold me tight

We'll be holding on forever

And we'll only be making it right'Cause we'll never be wrong

Together we can take it to the end of the line

Your love is like a shadow on me all of the time

(All of the time)

I don't know what to doI'm always in the dark

Living in a powder keg and giving off sparks

I really need you tonight

Forever's gonna start tonight(Forever's gonna start tonight)Once upon a time I was

I was falling in love

But now I'm only falling apart

There's nothing I can do

A total eclipse of the heart

Once upon a time there was light in my life

But now there's only love in the dark

Nothing I can say

A total eclipse of the heart

A total eclipse of the heart A total eclipse of the heart (Turn Around, bright eyes) (Turn Around, bright eyes) (Turn around)
